## THIRTY-FIRST DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Tuesday, February 20, 2024, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 123 members present.  
Reps. Highberger and Weigel were excused on verified illness.

Prayer by guest chaplain, Rev. Reuben Langat, PhD, United Methodist Church, Clay Center, and guest of Rep. Bloom.

Dear God, I thank you and praise you for this day that you have given to us to be here at the State Capital. Thank you for these lawmakers of our State. Thank you for the gift of life and the opportunity to be here to pray with them. Thank you for each leader here and what they do to make our State strong and prosperous. I pray for good health and wisdom for each one of them. I pray that you bless our State of Kansas. Bless all the residents, bless what each is doing to build the economy of the State.

I also want to thank you for America. You have given us abundant blessings and we thank you for those. Help us not to take those blessings for granted, but to always appreciate you for them as we even ask for more blessings. And as you bless this nation remind us to share those blessings with other nations of the world. United States of America is and has been a blessing to many other nations of the world including my home country of Kenya.

As we pray this morning, there are several who are in need of prayer in their different situations, we pray that you be with them. Those who are sick and trusting you for healing, we pray that you touch and heal them. There are those who are grieving because they have lost their loved ones, we pray for peace and comfort. We pray for the homeless, the hungry, those depressed by what they are going through, those affected by war, displacement in different parts of the world, we pray that they will feel your presence even in hard times that they face.

We pray for peace where there is conflict, we pray for understanding where there is misunderstanding and we pray for our military who are trying to bring peace in nations that are at war with each other. Protect our military until they safely come back home.

Again Lord, pour blessings on these leaders and guide them in all their decisions for the sake of your people in this State.

I ask all these in the name of our Lord and Savior Jesus Christ, AMEN.

The Pledge of Allegiance was led by Rep. W. Carpenter.

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Schlingensiepen are spread upon the Journal:

Today, I stand here to honor J. Alan Ward, better known to most as “Taco Al,” and his wife, Sandra Ward, who have been married for over 65 years.

Taco Al’s, formerly Taco Casa, - which resides in Kansas House District 55 - was founded by Al and Sandra over 60 years ago here in Topeka. For six decades, they have been serving up delicious food just down the street from our Capitol. But much more than that, they have been an integral part of our community and a gleaming example of one of the many small businesses that makes our city - and our state - such a great place. Al has served in numerous capacities in the wider restaurant business community throughout the years including:

- President of the Kansas Restaurant Association
- President of the Kansas Restaurant and Hospitality Association
- Board member of the National Restaurant Association
- Kansas Restaurateur of the year in 1985 and again in 2001
- Inductee of the Kansas Restaurant Hall of fame in 2005
- President of the Topeka Restaurant Association

While best known for his business involvement, Al has also served our state in a number of other ways including as:

- A commissioner and Vice-Chairman for Kansas Wildlife and Parks
- Mission Township Clerk and Trustee
- Kansas Livestock Association Advisory Board Member
- And many, many other leadership roles

Now rumor has it that for years, Taco Al also got up at the crack of dawn to make their delicious queso himself. If you haven’t had it, you’ve gotta try it out.

Al and Sandra, it’s an honor to have you both join us today with your family to celebrate your decades of service to Topeka and our state. You are part of what makes Kansas such a great place to live, work, and raise a family. Thank you!

Rep. Schlingensiepen presented a framed House certificate to his guests in honor of their accomplishments.

## INTRODUCTION OF ORIGINAL MOTION

Having voted on the prevailing side in Consideration of Veto on **HB 2284**, Rep. V. Miller moved the House of Representatives reconsider its action on **HB 2284**. The motion did not prevail.

## EXPLANATIONS OF VOTE

MR. SPEAKER: I am not in opposition to the elimination of the Social Security State income tax, nor do I oppose property tax exemption on the first 100,000. However, I don't appreciate the thought that most of the state's working class will have to carry a heavier burden and pay the majority of the state's tax roll if this so-called flat tax passes. This is not the last train out of town. We are on day 44. Real work needs to be accomplished for the relief of all Kansans not just a select elect few. This is why I voted No on **HB 2284**. – TREVOR JACOBS

MR. SPEAKER: I represent KS House District 33 in Wyandotte County. The population of Wyandotte County is approximately 167,046 as of 2021. 17.7% of the population for whom poverty status is determined in Wyandotte County, live below the poverty line (that's 29.4k out of 166k people). 17.7% is higher than the national average of 12.6%. If we do not override this veto, we continue to hurt the 17.7% who live below the poverty line. Not only will we continue to hurt the 17.7%, I believe we will increase that number. Friends, we must help our citizens, not make life harder for them. Let's not make our people wait another full year without a tax break. Give them a break now. Brownback left the building years ago. It's time to throw away the "Brownback Crutch" and do the right thing for our people. Override this hurtful Veto! – MICHAEL THOMPSON

MR. SPEAKER: I vote Yes to override on **HB 2284**. I was sent to Topeka to put Kansans first, and this is a simple vote to do so. I strongly encourage those who are voting no to take the advice of the Governor in her State of the State and have the mind of a goldfish. It's time to move on from the Brownback era and realize that Kansas is financially better off than prior years. We were elected to help hardworking Kansans instead of hurting them with tax burden and taxing them out of our great state. I encourage you to support the override. – TORY MARIE BLEW

MR. SPEAKER: The Senate will not override the Governor's veto. If the House does, will the Senate wait 30 days before taking a vote which is doomed to fail? If so, we are nearly at the end of the regular session. The Senate President has stated "with no flat income tax there will be no tax relief." The Governor has stated "if the legislature adjourns without passing tax relief, I will call them back for special session." While I am neutral on the flat tax, I cannot continue down this path to failure. I vote "NO." – RANDY GARBER

MR. SPEAKER: The carrier of this bill is correct: with 125 House members, we probably have 125 opinions on what makes a good tax bill. But 123 members of this chamber did not get to weigh in on this bill. There was no debate in committee and there was no expert testimony. There was a conference committee and two members of the House were involved in it after kicking off the lone Democrat. After that, there was an up or down vote on the House floor with no ability to amend this bill. I want tax relief for Kansans. I want to work with 124 of my fellow House members to find an appropriate solution. This process isn't it. This bill isn't it. I look forward to working on what will be. I vote no on **HB 2284**. – DAN OSMAN

MR. SPEAKER: I vote Yes to override the Governors veto of **HB 2284**. In the last 5 years our cash balance has risen over \$3.0 billion. This is \$3.0 billion more money than is needed to fully fund our schools, our roads, and social services. Tax revenues were over \$10.0 billion in FY2023 and expenditures were under \$8.8 billion. A \$500 million tax break for the people is both sensible and sustainable! The only thing "reckless" about HB 2284 was the callous disregard for the good of the taxpayers and the petty political games of the Governor and her enablers. – PAUL WAGGONER

### CONSENT CALENDAR

No objection was made to **HB 2760** appearing on the Consent Calendar for the third day. The bill was advanced to Final Action on Bills and Concurrent Resolutions.
