Good afternoon, Representative.

After our Fed and State meeting this morning, I spoke with the State Historical Society staff who had attended the meeting. I asked the agency to provide some additional information on recent expenditures at the site.

Matthew Chappell, Administration Division Director of the KSHS provided me with the attached spreadsheet. This file provides a round figure of expenditures by KSHS on the site each FY between FY 2014 and FY 2023. Please note that the expenditure amounts do not include amounts spent by the agency on utilities.

If you have any questions or would like any further information, please let me know.

Sincerely,
Jordan
