House Federal and State Affairs Committee

To members of the House Federal and State Affairs Committee:

Please support HB2803 which is to be heard 3/7/24, "Creating the Kansas gun rights preservation act to prohibit the commandeering of state resources to enforce unconstitutional federal gun control against law-abiding Kansas citizens."

The federal government should not have authority to force Kansas or other states to enforce federal law.

The bill provides for significant civil penalties against those who violate this law by supporting the taking of property from Kansans.

Thank you for your service to Kansans.
