Dear Representative Hoheisel:

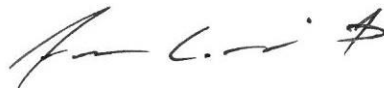

**SUBJECT:** Fiscal Note for HB 2133 by House Committee on Financial Institutions and Pensions

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2133 is respectfully submitted to your committee.

HB 2133 would permit state and local governments to assess a surcharge when payment is made to the entity via use of a debit or credit card.

The Kansas Department of Education, Kansas Department of Revenue, Kansas Department of Labor, and the Office of the State Bank Commissioner indicate that HB 2133 would have no fiscal effect. The Kansas Association of Counties states that HB 2133 would allow counties to offset fees charged for credit and debit card processing.
