HOUSE COMMITTEE ON HEALTH AND HUMAN SERVICES  
SB 352  
PROPONENT  
WRITTEN ONLY

CHAIR LANDWEHR AND COMMITTEE MEMBERS,

I AM A PROPONENT OF SB 352.

ALLOWING IN-PERSON VISITATION IS A VITAL PART OF THE PATIENT HEALING ENOUGH TO BE RELEASED FROM A HOSPITAL.

I WOULD EITHER BE IN A PERMANENT BRAIN FOG OR DEAD IF IT WERE NOT FOR MY HUSBAND BEING IN MY ROOM TO ALERT MEDICAL STAFF THAT I WAS UNRESPONSIVE. THE NURSE, WHO WAS TOLD TO WATCH ME DURING THE CSF DRAIN, LEFT THE ROOM SHORTLY AFTER BEING GIVEN HER INSTRUCTIONS.

PLEASE PASS THIS BILL OUT OF COMMITTEE TO MAKE SURE PEOPLE GET THE BEST CARE AND SAVE LIVES.

THANK YOU,

REBECCA WETTER
