From: Office of Revisor of Statutes

Date: March 4, 2024

Subject: **SB 340**, Removing automobile club from the definition of person for purposes of enforcing violations of insurance law.

---

SB 340 amends K.S.A. 2023 Supp. 40-2,125 by removing automobile club from the definition of person for purposes of enforcing violations of insurance law. The bill passed the Senate Committee of the Whole unanimously on February 22, 2024.

During the 2023 session, the Legislature amended the definition of "person," to add any legal entity under the jurisdiction of the commissioner, making all such entities subject to penalty for violations of insurance law.

SB 340 removes automobile club from the definition of person, removing it from the list of entities subject to penalty for violations of insurance law.
