To: Members of the House Committee on Taxation

From: Adam Siebers, Assistant Revisor

Date: February 21, 2023

Subject: House Bill No. 2232

Summary

House Bill No. 2232 provides that appraisal courses necessary to qualify for the designation of a registered mass appraiser and all continuing education appraisal courses necessary to retain such designation may be developed by the director of property valuation whereby such courses are specifically related to the administration of the assessment and tax laws of the state. These courses would be in addition to courses currently allowed by law to be approved by the Kansas real estate appraisal board.
