Dear Representative Ellis:

SUBJECT: Fiscal Note for HB 2833 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2833 is respectfully submitted to your committee.

HB 2833 would amend the definition of “veteran” and “disabled veteran” throughout Kansas statutes to create a common definition and clarify disability evaluations for benefits granted to disabled veterans.

According to the Kansas Commission on Veterans Affairs Office and the Kansas Department of Revenue, enactment of HB 2833 would not have a fiscal effect on agency operations for either agency.

Sincerely,

Adam C. Proffitt  
Director of the Budget
