

SB 196

Chairman Tyson and Committee:

I am the Mayor of Lebo Ks. I strongly support this bill. These funds help city's like Lebo to continue to grow and county's like Coffey County. The city clerk of Lebo and I talked she has seen what these fund have done for city's and when taken away what it does. So I am in strong support of SB 196.

Eric S Ferguson  
Mayor of Lebo
