Chairman Thompson and Members of the Committee, thank you so much for giving me time to share my thoughts on SB 365 with you today. My name is Anna Graether and I live in Johnson County. I am writing today to encourage the committee to vote no on SB 365.

I oppose this bill because it puts an unnecessary restriction on mail-in voting, which has worked well in Kansas for many years. My husband and I spend a lot of time away from the city, and having access to mail-in voting is crucial to us in exercising our voting duty. Putting limits on it that are out of our control is unnecessary and harmful to the democratic process.

Thank you for listening to my views, and I encourage you to vote NO on passage of SB 365. Thanks
