SB510

Proponent

Written Only

Chairman McGinn and Members of the senate Local Government Committee,

I am submitting my testimony in support of SB510. It is only right if a property owner is required to reconnect to the sewer lines within 10 days of request, then the city needs to fall under the same sort of guidelines. A definitive time frame to reconnect would be nice to have on the books. Again, I am voicing my support for bill SB510.

Respectfully,

Brett Anderson
