**MEMORANDUM**

To: Chairperson McGinn  
Members of the Senate Committee on Local Government

From: The Office of Revisor of Statutes

Date: February 29, 2024

Subject: SB 510 – Requiring reconnection to city sewer system on request of the property owner.

Senate Bill No. 510 (SB 510) would amend K.S.A. 12-631, regarding city sewer connections, to require a city to reconnect a property to the city sewer city on request of the property owner. Under SB 510, if real property had been previously connected to the city sewer system and the owner requests that such property be reconnected, then the city would be required to reconnect such property within 10 days of the request. No charge may be assessed to the property owner for such reconnection. The bill provides that this requirement would not apply if the disconnection was due to failure to pay sewer fees.

If enacted, SB 510 would become effective on publication in the Kansas Register.
