SB 391

Proponent

Written testimony

Dale Enyart, Jr

Chairwoman Gossage and Members of the
Committee

I am writing to you in support of SB 391
Constitutional Right to Health Freedom
Medical freedom is an absolute right, and
evidently we need to spell it out. No
individual or government body has the
right to forcibly quarantine citizens. This
must be spelled out so it can never be
used against Kansans. Thank you.
