

From the desk of Michael Monteferrante, President and CEO

February 20, 2024

ENVISION SUPPORTS 2024 SENATE BILL No. 284

Envision supports Kansas Senate Bill No. 284 regarding disability services relating to telecommunications and information access services to Kansans. This will create an excellent avenue for blind individuals to have access to digital content through audio, electronic text, and braille reading technologies. It will also grant access to Kansas specific publications, national publications, international publications, breaking news, and localized emergency weather alerts.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Monteferrante", is written over the typed name and title.

Michael Monteferrante
President & CEO
