

Additional considerations for KPERS Study commission

Rep. Mitch Holmes

11/8/11

Allow local govts to remain as is (or considering abolishing cap, too)

Pure D.C. with higher match at lower income levels – example below

Income level	Employer Match
Up to 25,000	X
25,001 – 40,000	X – Y
40,001 – 60,000	X – 2Y
60,001 and above	X – 3Y

Numbers only to illustrate concept – not a hard proposal
