

**MEMORANDUM**

**To:** House Committee on Education  
**From:** Eunice C. Peters, Assistant Revisor  
**Re:** HB 2620 (summary)  
**Date:** February 7, 2012

| TOPIC  | BILL'S LANGUAGE   | SECTION(S)                 | EFFECTIVE DATE               |
|--|---|----------------------------|------------------------------|
| Differences from SB 361                          | Act is named "excellence in career technical education act" rather than "excellence in education act."  | Secs. 1 through 8          | July 1, 2013                 |
|  | Cash basis law, did not strike K.S.A. 72-6417 (general state aid distribution) or 72-6434 (LOB).<br>Amendments to K.S.A. 72-6419 instead of creating a new section for the certification of enrollment.   | Sec. 10<br>Sec. 17         | July 1, 2013<br>July 1, 2013 |
| Vocational weighting replaced with CTE state aid | Eliminates the .5 weighting.  | Sec. 16                    | July 1, 2013                 |
|  | <u>State</u>  | Sec. 2(b)<br>Secs. 2 and 3 | July 1, 2013<br>July 1, 2013 |
|  | <ul style="list-style-type: none"> <li>Creates CTE state aid fund in state treasury.</li> <li>CTE state aid based on the number of full-time equivalent pupils enrolled in career technical education and takes into consideration other factors.</li> </ul>              | Sec. 4<br>Sec. 6           | July 1, 2013<br>July 1, 2013 |
|  | <u>District</u>   | Sec. 3(a)(3)               | July 1, 2013                 |
| Transportation                                   | CTE state aid provides for transportation to and from the postsecondary educational institution.  | Sec. 2(c)                  | July 1, 2013                 |
| "30-mile rule"                                   | Districts will not receive CTE state aid for any duplicative CTE program, which is provided by a postsecondary institution located less than 30 miles from the school offering the CTE program.   |                            |                              |
|  | State board determines whether program is duplicative and whether there is sufficient capacity in such program to accommodate the district's pupils.  |                            |                              |
| CTE incentive program (\$1,000)                  | Board of regents establishes program.<br><br>School will receive an award of \$1,000 for each student who earns an industry-recognized credential in an occupation identified by the secretary of labor as an occupation in highest need of additional skilled employees. | Sec. 7                     | July 1, 2012                 |

House Education Committee  
Date 2/8/12  
Attachment# 1

|   |  |                     |              |
|---|--|---------------------|--------------|
| <b>Postsecondary tuition</b>                              | No tuition shall be charged to high school students enrolled in CTE programs in postsecondary institutions.  | Sec. 13             | July 1, 2012 |
| <b>CTE programs outside of the service area</b>           | For grades 9 through 12, bill allows community colleges, technical colleges and the institute of technology to apply to the board of regents for permission to establish a CTE program open to secondary students outside such college's service area.   | Secs. 9, 11, 12     | July 1, 2013 |
| <b>Development of statewide articulation agreement</b>    | Board of regents to initiate the development of a statewide articulation agreement on CTE programs among high schools, community colleges, technical colleges and institute of technology.   | Sec. 15             | July 1, 2013 |
| <b>Individual career plan of study/state board report</b> | State board is directed to conduct a study of implementing a requirement for individual career education plans for students in grades 8-12.<br><br>On or before January 15, 2014, state board required to prepare and submit a report to the legislature on its findings and whether such implementation will occur.               | Sec. 5              | July 1, 2013 |
| <b>Conforming amendments</b>                              | "Vocational education fund" to "career technical education fund"   | Sec. 14             | July 1, 2012 |
|   | Added CTE state aid to "state aid"-related statutes.   | Secs. 18 through 21 | July 1, 2013 |
| <b>Technical amendments</b>                               | Pg. 6, line 18, "section 7" should be "section 6"<br><br>Pg. 10, line 8 and line 43, "section 10" should be "section 9"<br><br>Pg. 14, line 9, "section 3" should be "section 2"<br><br>Pg. 14, lines 14-15 and line 41; pg. 15, line 21; 17, line 2, "excellence in education act" should be "excellence in career education act" |                     |              |
