Chairman Brunk and members of the Federal and State Affairs Committee,  
I am Shane Starkey with the Baldwin City Council. I believe that the city of Baldwin City would be greatly enhanced by the dinner train that Mr. Bruce Evaland is proposing to bring to the area. This business will provide jobs for the local community, tax revenue, and a unique tourism opportunity. Due to the fact that in order for this business to prosper and reap rewards for the community they require a state liquor license, i encourage you to support the passage of a liquor license for railcars with HB 2689. Thank you for your consideration.

Sincerely,  
Shane Starkey
