

House Committee on Federal and State Affairs

Re: SB 269  
March 8, 2012

Mr. Chairman and Members of the Committee:

Thank you for allowing us to provide written testimony to express support for SB 269, allowing limited tasting events to be held on retail liquor licensed premises and adjacent properties.

We are aware that an amendment may be offered to limit the number of samples. With the caveat that we have not yet seen the language of this potential amendment, we do not oppose the concept of a limit on the number of samples.

Thank you for your consideration of SB 269 and we respectfully request the committee's support.
