

# Presentation to House Committee on Government Efficiency

February 1, 2012

Presented By:

Office of Management Analysis and Standards, Department of Administration  
Martin Eckhardt, Director

## **Kansas Taxpayer Transparency Act:**

- 2007 Kansas House Government Efficiency and Technology Committee sponsors Kansas Taxpayer Transparency Act (TTA) legislation
- 2008 Legislature passed HB 2730 making TTA permanent law – K.S.A. 74-72,122 et seq.
- Department of Administration partnered with the Information Network of Kansas (INK) who developed and maintain KanView
- KanView went live on February 29, 2008

## **Primary Data Sources:**

- FY 2011 and future years – SMART (Statewide Management, Accounting & Reporting Tool)
- FY 2006 through 2010 – STARS (STatewide Accounting and Reporting System)
- SHARP (Statewide HumAn Resources & Payroll) System

## **Recent KanView Changes:**

- KanView Performance
- KanView Redesign In Progress
- Data Downloads

## **KanView Future Enhancements:**

- Data from the SMART Asset Module – Capital Assets
- Quarterly updates of data
- Other potential data from SMART Modules
  - Procurement – State Contracts
  - Accounts Payable – Travel Costs
