Re: 10C1569, Luke Gannon, et al v. State of Kansas

Dear Counsel:

We had hoped to have an opinion in this case by December 1<sup>st</sup>, however, the reality of the task, and the practical and logistical means to it, make it now more likely our opinion will not be available until sometime around the first of the year. Your indulgence is appreciated. With every good wish,

Franklin R. Theis  
Judge of the District Court  
Division Seven
