

PETITION

We the Kansas Citizens and Taxpayers do hereby request to maximize the use of E-Verify in Private Businesses and Government Contractors; stop the provisions of benefits to illegal aliens such as food stamps, welfare, housing, medical (other than hospital emergencies), and stop in-state tuition for illegal immigrants. We want a statutory requirement that Kansas police officers check immigration status of aliens during traffic violation stops.

PETITION

We the Kansas Citizens and Taxpayers do hereby request to maximize the use of E-Verify in Private Businesses and Government Contractors; stop the provisions of benefits to illegal aliens such as food stamps, welfare, housing, medical (other than hospital emergencies), and stop in-state tuition for illegal immigrants. We want a statutory requirement that Kansas police officers check immigration status of aliens during traffic violation stops.
