

Testimony on House Bill 2612
Senate Transportation Committee

Presented by:

Royal Valley Middle School

Good Morning Chairmen Umbarger and members of the Senate Transportation Committee. My name is Jarrett Roy, I'm a member of the 8th grade, Royal Valley Middle School, Barnes Brother Memorial Highway Committee. I am here in support of House Bill 2612, to put up a sign that will memorialize the achievements of these two great men. I am here today to talk about Jesse Barnes Military Career. He was inducted into the U.S. Army on May, 1918. He was assigned to Camp Funston in Fort Riley, Kansas for temporary training. He was never far from baseball though he played on the military sponsored baseball team. Then the influenza pandemic struck Camp Funston and eventually struck the rest of the world, Jesse was just one of the Thousands that got sick. Eventually he was discharged from the Army on February 6, 1919. Thank you for your time and consideration of our bill.
