The Honorable Brenda Landwehr, Chairperson
House Committee on Health and Human Services
Statehouse, Room 151-S
Topeka, Kansas 66612

Dear Representative Landwehr:

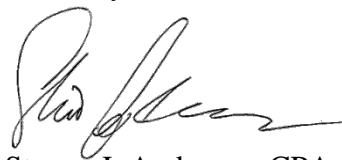

SUBJECT: Fiscal Note for HB 2182 by House Committee on Aging and Long Term Care

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2182 is respectfully submitted to your committee.

Under current law, a prescription drug mail order facility located and licensed in Kansas can donate non-controlled prescription drugs to a federally qualified clinic or indigent clinic in Kansas. The donated medications must meet certain criteria. HB 2182 would expand the definition of mail service pharmacy so that out-of-state facilities registered as non-resident pharmacies could ship their unused drugs to Kansas for donation to the Unused Medication Program.

The Board of Pharmacy indicates that passage of HB 2182 would have no fiscal effect on its operations.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
