The Honorable Tim Owens, Chairperson  
Senate Committee on Judiciary  
Statehouse, Room 559-S  
Topeka, Kansas 66612

Dear Senator Owens:

**SUBJECT:** Fiscal Note for SB 360 by Senate Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning SB 360 is respectfully submitted to your committee.

The Child Death Review Board, under the Office of the Attorney General, has the statutory obligation to review the death of every child who dies in Kansas. Under current law, the information and records considered by the Child Death Review Board are confidential. However, the information may be disclosed to a legislator or legislative body in closed meetings, as necessary, to fulfill official responsibilities. SB 360 expands access to the information and records by making them available for research and public health purposes.

Enactment of SB 360 would have no fiscal effect.

Sincerely,

Steven J. Anderson, CPA, MBA  
Director of the Budget
