4 *Be it enacted by the Legislature of the State of Kansas:*

5 Section 1. The secretary of revenue, when assisting the
6 director of the budget division in preparation of fiscal notes pursuant to
7 K.S.A. 75-3715a, and amendments thereto, shall be required to consider
8 dynamic scoring in addition to all other methodological approaches. For
9 purposes of this section, "dynamic scoring" means a macroeconomic
10 impact analysis similar to that required under house rule XIII.3.(h)(2) of
11 the rules of the United States house of representatives, adopted January 4,
12 2005, in the 109th Congress, and shall include estimated changes in
13 economic output, employment, capital stock and tax revenues expected to
14 result from enactment of the proposed legislation. Such analysis shall
15 include behavioral assumptions regarding how consumers, businesses and
16 other economic entities would be expected to react if the proposed
17 legislation were to be enacted.

18 Sec. 2. This act shall take effect and be in force from and after its
19 publication in the statute book.
