

Income Withholding Act—Service by Court Trustees; Debt Setoff Law—Court Trustees; House Sub. for SB 160

House Sub. for SB 160 amends the Income Withholding Act to allow a court trustee enforcing a support order to serve an income withholding order on a payor (employer) by personal service; registered mail, return receipt requested; or any alternate method accepted by the payor.

The bill also amends the state debt setoff law to include in the definition of “debt” any amount of support due and owing an individual who is receiving assistance in collecting that support by a court trustee pursuant to KSA 20-378. The definition of “debtor” is amended to include any person who owes support to an individual who is receiving assistance in collecting that support under KSA 20-378.
