

SESSION OF 2012

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2674**

As Recommended by House Committee on  
Transportation and Public Safety Budget

**Brief\***

HB 2674 concerns the Highway Patrol; it would repeal five statutes and amend one.

The statutes include:

- KSA 74-2105 is amended, to delete language about the Bureau of Emergency Medical Services. This agency was severed from the Highway Patrol many years ago;
- KSA 74-2112 is repealed, as the Department of Transportation no longer provides headquarters for the Highway Patrol;
- KSA 74-2116 is repealed, as a specific requirement to pay for expenses monthly is no longer needed;
- KSA 74-2119 is repealed, and is the transfer statute from the previous agency responsible for the Highway Patrol's current duties;
- KSA 74-2125 is repealed, and transferred an old Highway Patrol fund to the State General Fund. Since this objective has been completed, the statute is no longer needed; and
- KSA 74-2133 is repealed, and allowed the Highway Patrol to sell a building in 1989.
