

2012 Kansas Statutes

2-1330. Entry upon and inspection of property. County commissioners, township boards, city officials and state, county and city weed supervisors shall have at all reasonable times, free access to enter upon premises and to inspect property, both real and personal, regardless of location, in connection with the administration of the state weed law.

History: L. 1945, ch. 3, § 11; L. 1957, ch. 7, § 10; June 29.
