Areas II and IV will elect in even number years and Areas I, III and V shall elect in odd number years for two year terms. The elected commission members from Areas I, III and V shall take office on January 1, of the even number years. The remaining two elected members of the state commission from Areas II and IV shall take office on January 1, of the odd number years. The method of election is to be by area caucus of the district supervisors of each of the five separate areas of Kansas. The commission shall give each district notice of the time and place of such annual election meeting by letter if a member is to be elected to the commission from that area that year. The selection of a successor to fill an unexpired term shall be by appointment by the commission. The successor who is appointed to fill the unexpired term shall be a resident of the same area as that of the predecessor.

(b) The commission shall keep a record of its official actions, shall adopt a seal which seal shall be judicially noticed, and may perform such acts, hold such public hearings and adopt rules and regulations necessary for the execution of its functions under this act.

(c) In addition to the powers and duties conferred in this section, the state conservation commission shall have the powers and duties not delegated to the Kansas department of agriculture division of conservation pursuant to K.S.A. 2012 Supp. 74-5,126, and amendments thereto.

(d) The commission shall designate its chairperson and, from time to time, may change such designation. A majority of the commission shall constitute a quorum, and the concurrence of a majority in any matter within their duties shall be required for its determination. Members of the state conservation commission attending meetings of such commission or attending a subcommittee meeting thereof authorized by such commission shall be paid compensation, subsistence allowances, mileage and other expenses as provided in K.S.A. 75-3223, and amendments thereto. The commission shall provide for keeping of a full and accurate record of all proceedings and of all resolutions, regulations and orders issued or adopted.

(e) The state conservation commission together with the Kansas department of agriculture division of conservation shall make conservation program policy decisions, including modification of current conservation programs, creation of new conservation programs and budget recommendations.

(f) The Kansas department of agriculture division of conservation in consultation with the state conservation commission shall have the following duties and powers:

(1) To offer such assistance as may be appropriate to the supervisors of conservation districts, organized as provided hereinafter, in the carrying out of any of their powers and programs;

(2) to keep the supervisors of each of the several districts organized under the provisions of this act informed of the activities and experience of all other districts organized hereunder and to facilitate an interchange of advice and experience between such districts and cooperation between them;

(3) to coordinate the programs of the several conservation districts organized hereunder;

(4) to secure the cooperation and assistance of the United States and any of its agencies and of agencies of this state, in the work of such districts and to contract with or to accept donations, grants, gifts and contributions in money, services or otherwise from the United States or any of its agencies or from the state or any of its agencies in order to carry out the purposes of this act;

(5) to disseminate information throughout the state concerning the activities and programs of the conservation districts organized hereunder and to encourage the formation of such districts in areas where their organization is desirable;

(6) to cooperate with and give assistance to watershed districts and other special purpose districts in the state of Kansas for the purpose of cooperating with the United States through the secretary of agriculture in the furtherance of conservation pursuant to the provisions of the watershed protection and flood prevention act, as amended;

(7) to cooperate in and carry out, in accordance with state policies, activities and programs to conserve and develop the water resources of the state and maintain and improve the quality of such water resources;

(8) to enlist the cooperation and collaboration of state, federal, regional, interstate, local, public and private agencies with the conservation districts; and

(9) to facilitate arrangements under which conservation districts may serve county governing bodies and other agencies as their local operating agencies in the administration of any activity concerned with the conservation of natural resources.
