

2012 Kansas Statutes

8-1810. Other equipment; compliance with sections in article 18; applicability of other equipment laws. (a) Every motorcycle and every motor-driven cycle shall comply with the requirements and limitations of K.S.A. 8-1738 on horns and warning devices, K.S.A. 8-1739 on noise prevention and mufflers, K.S.A. 8-1740 on mirrors and K.S.A. 8-1742 on tires.

(b) Every motorcycle and every motor-driven cycle shall comply with the requirements and limitations contained in this article, and unless otherwise specifically made applicable, motorcycles and motor-driven cycles shall not be subject to the requirements and limitations imposed elsewhere in this act with respect to equipment on vehicles.

History: L. 1974, ch. 33, § 8-1810; July 1.
