

2012 Kansas Statutes

12-607. Alleys; connecting alleys. Any alley may be graded or regraded, paved or repaved in the same manner as provided for the grading or regrading, paving or repaving of a street or avenue. The governing body may, when they deem it necessary, grade or regrade and pave or repave any intervening alley connecting two streets or avenues which are paved.

History: R.S. 1923, § 12-607; Dec. 27.
