

2012 Kansas Statutes

12-609. Guaranty by contractor for maintenance and repair. The governing body shall have power to provide, in any contract made by them for curbing, guttering or paving any street or alley, that the contractor shall guarantee to maintain and repair the same for such time as the governing body shall deem proper, and no special assessment shall be affected or invalidated on account of such guaranty.

History: R.S. 1923, § 12-609; Dec. 27.
