

2012 Kansas Statutes

12-631d. Same; bonds or warrants, when; lien upon facilities. If such sewer or sewage facilities are acquired by purchase and not by gift or grant, then the cost of such acquisition shall be paid by the issuance of warrants or bonds, but any such warrants or bonds issued for the purpose of acquiring such facilities shall be an obligation and a lien upon such facilities only and shall not be a general obligation of the city issuing the same.

History: L. 1947, ch. 131, § 3; April 4.
