

2012 Kansas Statutes

12-689. Same; costs; how paid. All costs of improvements or reimprovements authorized under the provisions of this act, including acquisition of right-of-way, engineering costs, and all other costs properly attributable to such projects shall be paid by the city at large from the general improvement fund, general revenue fund, internal improvement fund, or any other fund or funds available for such purposes, or by the issuance of general improvements bonds.

History: L. 1959, ch. 71, § 5; June 30.
