

2012 Kansas Statutes

12-6a10. Levy of assessments; interest rates; payment in full, when; payments by taxing units. At such meeting, or at any adjournment thereof, the governing body shall hear and pass upon all such objections to each proposed assessment, if any, and may amend the proposed assessments as to any parcels, and thereupon by ordinance levy the same as the special assessments against the lands described in the assessment roll. The assessments, with accrued interest, shall be levied as a special tax upon the property included therein concurrent with general property taxes, and shall be payable in not more than 20 equal annual installments, as the governing body determines. The first installment shall be payable at the time of the first payment of general property taxes following the adoption of the assessment ordinance unless such ordinance was adopted and certified too late to permit its collection at such time. All assessments shall bear interest at such rate as the governing body determines, not to exceed the maximum rate of interest prescribed by K.S.A. 10-1009, and amendments thereto.

Interest on the assessment between the effective date of the ordinance levying the assessment and the date the first installment is payable, but not less than the amount of interest due during the coming year on any outstanding bonds issued to finance the improvement, shall be added to the first installment. The interest for one year on all unpaid installments shall be added to each subsequent installment until paid. All of the installments, together with the interest accrued or to accrue thereon, may be certified by the city clerk to the county clerk in one instrument at the same time, and such certification shall be good for all of the installments, and the interest thereon payable as special taxes. Such assessment shall be collected and paid over to the city treasurer in the same manner as other taxes of the city are collected and paid. The owner of any property so assessed may at any time prior to a date which shall be fixed by the governing body pay the whole of the assessment against any lot or parcel with interest accrued to the date of payment to the city treasurer. The board of county commissioners and the governing body of any school district or other taxing unit, respectively, shall provide for and pay the amount assessed against property owned by them as provided by K.S.A. 79-1808, and amendments thereto, or they may pay the amounts so assessed from their general funds.
