

2012 Kansas Statutes

12-803d. Same; ordinances as to operation and charges. The governing body of any city operating a street-railway system or a bus system shall enact such ordinances as are necessary for the control, operation and maintenance of said street-railway system or of said bus system, including an ordinance fixing reasonable rates and charges for the use of such system.

History: L. 1953, ch. 73, § 4; June 30.
