

2012 Kansas Statutes

14-682. Same; eminent domain. If the governing body of a city of the second class and the owner of any property desired by said city for hospital purposes cannot agree as to the price to be paid therefor, the city shall have the authority to institute condemnation proceedings and prosecute said suit in the name of the city by the city attorney under the provisions of the law in similar cases.

History: L. 1947, ch. 163, § 5; April 14.
