

2012 Kansas Statutes

15-711. Additional system of artificial lights for certain districts. The governing body of any city of the third class is hereby authorized to especially illuminate such districts within such city as it may deem expedient, and to construct, equip, and maintain a system of artificial lights for that purpose, in addition to any system now provided for by law, subject to the limitations and in the manner hereinafter provided.

History: L. 1929, ch. 137, § 1; March 14.
