

2012 Kansas Statutes

16-1310. Remedies not exclusive. The provisions of this act shall be supplemental to any agreement between the retailer and the supplier. The retailer may elect to pursue either the contract remedy, the remedy provided herein, or any other remedies permitted by law, and an election by the retailer to pursue such retailer contract or other remedies shall not bar such retailer's right to any remedy provided herein as to the outdoor power equipment and repair parts not affected by the contract or other remedies.
