

2012 Kansas Statutes

19-1420. Record of road survey; descriptions of real estate. Upon the establishment of any road, the county surveyor shall enter the plat and field notes thereof upon the official road record of the county. The county surveyor shall, when ordered by the board of county commissioners, make out a complete description of all or any part of the real estate of such county, to be made out and entered in proper rolls furnished by the county clerk for such purpose.

History: L. 1891, ch. 89, § 4; R.S. 1923, 19-1420; L. 2011, ch. 49, § 9; July 1.
