

2012 Kansas Statutes

21-6006. Unlawful use of state postage; imprinting of warning on mail. (a) It shall be unlawful for any person to use for such person's personal use, or to allow any unauthorized person to use, any form of postage knowing such postage to have been paid for with state funds.

(b) Violation of this section is a class C misdemeanor.

(c) Each state agency, department, board, commission or state educational institution shall imprint by postage meter stamp on all state mail that is stamped by a postage meter that:

- (1) Such mail carried by such postage is official state of Kansas mail; and
- (2) that there is a penalty for the unlawful use of state postage for private purposes.
