

2012 Kansas Statutes

24-1211. Election of directors at annual meeting; report of financial condition, projects and activities; notice and conduct of elections; vacancies; changes in number of directors or date of annual meeting; notice; procedure. In not less than 12 months, nor more than 13 months after the recording of the certificates of incorporation, and annually thereafter, a meeting shall be held for the election of directors whose terms expire and also to render a report on the financial condition and activities of the district including the estimated construction date of all proposed projects to be initiated within the next five years and the board's determination as to whether each of these projects is still cost effective and in the current public interest. Notice of the annual meeting shall be given at least 10 days prior to the date thereof by one publication in a newspaper of general circulation in each of the counties of which said watershed district is a part. Elections shall be by ballot. Qualified voters in attendance shall be entitled to vote at any such meeting. The directors shall fill any vacancy occurring on the board prior to the expiration of the term of any director by electing a substitute director to serve for the unexpired term. The number of directors of a district or the date of the annual meeting, or both, may be changed at an annual meeting if notice of the proposition of making such change or changes is given at the annual meeting immediately preceding the annual meeting at which such change or changes are considered. If the number of directors is proposed to be changed, the proposition shall be introduced in the same manner as other items of business and shall clearly show the changes in representation of subwatersheds, if any, and in the length of terms of the directors. It shall be the duty of the board of directors to include the proposition in the notice of the annual meeting at which such changes are being considered. If a majority of those voting are favorable, the election of directors shall be in conformance with the adopted proposal and all powers shall be exercised by the newly constituted board beginning immediately after the annual meeting. Copies of the minutes of the annual meeting and report on the financial condition and activities of the district shall be furnished to the Kansas department of agriculture division of conservation.
