

2012 Kansas Statutes

25-1122. Advance voting; ballot application identification requirements; provisional ballots; time for filing application; satellite advance voting sites; voters needing assistance; permanent advance voting status; records maintained by county election officer; rules and regulations.

(a) Any registered voter may file with the county election officer where such person is a resident, or where such person is authorized by law to vote as a former precinct resident, an application for an advance voting ballot. The signed application shall be transmitted only to the county election officer by personal delivery, mail, facsimile or as otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted in person, such voter shall provide identification pursuant to K.S.A. 25-2908, and amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted by mail, such voter shall provide with the application for an advance voting ballot the voter's current and valid Kansas driver's license number, nondriver's identification card number or a photocopy of any other identification provided by K.S.A. 25-2908, and amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and amendments thereto, if:

(1) The voter is unable or refuses to provide current and valid identification; or

(2) the name and address of the voter provided on the application for an advance voting ballot do not match the voter's name and address on the registration book. The voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and amendments thereto, to the county election officer in person or provide a copy by mail or electronic means before the meeting of the county board of canvassers. At the meeting of the county board of canvassers the county election officer shall present copies of identification received from provisional voters and the corresponding provisional ballots. If the county board of canvassers determines that a voter's identification is valid and the provisional ballot was properly cast, the ballot shall be counted.

(e) No county election officer shall provide an advance voting ballot to a person who is requesting an advance voting ballot to be transmitted by mail unless:

(1) The county election official verifies that the signature of the person matches that on file in the county voter registration records. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person who is requesting an advance voting ballot does not match that on file, the county election officer shall attempt to contact the person and shall offer the person another opportunity to provide such person's signature for the purposes of verifying the person's identity. If the county election officer is unable to reach the person, the county election officer may transmit a provisional ballot, however, such provisional ballot may not be counted unless a signature is included therewith that can be verified; and

(2) the person provides such person's full Kansas driver's license number, Kansas nondriver's identification card number issued by the division of vehicles, or submits such person's application for an advance voting ballot and a copy of identification provided by K.S.A. 25-2908, and amendments thereto, to the county election officer for verification. If a person applies for an advance voting ballot to be transmitted by mail but fails to provide identification pursuant to this subsection or the identification of such person cannot be verified by the county election officer, the county election officer shall provide information to such person regarding the voter rights provisions of subsection (d) and shall provide such person an opportunity to provide identification pursuant to this subsection. For the purposes of this act, Kansas state offices and offices of any subdivision of the state will allow any person seeking to vote by an advance voting ballot the use [of] a photocopying device to make one photocopy of an identification document at no cost.

(f) Applications for advance voting ballots to be transmitted to the voter by mail shall be filed only at the following times:

(1) For the primary election occurring on the first Tuesday in August in even-numbered years, between April 1 of such year and the last business day of the week preceding such primary election.

(2) For the general election occurring on the Tuesday succeeding the first Monday in November in even-numbered years, between 90 days prior to such election and the last business day of the week preceding such general election.

(3) For the primary election held five weeks preceding the first Tuesday in April, between January 1 of the year of such election and the last business day of the week preceding such primary election.

(4) For the general election occurring on the first Tuesday in April, between January 1 of the year of such election and the last business day of the week preceding such general election.

(5) For question submitted elections occurring on the date of a primary or general election, the same as is provided for ballots for election of officers at such election.

(6) For question submitted elections not occurring on the date of a primary or general election, between the time of the first published notice thereof and the last business day of the week preceding such question submitted election, except that if the question submitted election is held on a day other than a Tuesday, the county election officer shall determine the final date for mailing of advance voting ballots, but such date shall not be more than three business days before such election.

(7) For any special election of officers, at such time as is specified by the secretary of state.

(8) For the presidential preference primary, between January 1 of the year in which such primary is held and the last business day of the week preceding such primary election.

The county election officer of any county may receive applications prior to the time specified in this subsection and hold such applications until the beginning of the prescribed application period. Such applications shall be treated as filed on that date.

(g) Unless an earlier date is designated by the county election office, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer shall be filed on the Tuesday next preceding the election and on each subsequent business day until no later than 12:00 noon on the day preceding such election. If the county election officer so provides, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer also may be filed on the Saturday preceding the election. Upon receipt of any such properly executed application, the county election officer shall deliver to the voter such ballots and instructions as are provided for in this act.

An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.

The county election officer may designate places other than the central county election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Such ballots and instructions shall be delivered to the voter in the same manner and subject to the same limitations as otherwise provided by this subsection.

(h) Any person having a permanent disability or an illness which has been diagnosed as a permanent illness is hereby authorized to make an application for permanent advance voting status. Applications for permanent advance voting status shall be in the form and contain such information as is required for application for advance voting ballots and also shall contain information which establishes the voter's right to permanent advance voting status.

(i) On receipt of any application filed under the provisions of this section, the county election officer shall prepare and maintain in such officer's office a list of the names of all persons who have filed such applications, together with their correct post office address and the precinct, ward, township or voting area in which such persons claim to be registered voters or to be authorized by law to vote as former precinct residents and the present resident address of each applicant. Such names and addresses shall remain so listed until the day of such election. The county election officer shall maintain a separate listing of the names and addresses of persons qualifying for permanent advance voting status. All such lists shall be available for inspection upon request in compliance with this subsection by any registered voter during regular business hours. The county election officer upon receipt of such applications shall enter upon a record kept by such officer the name and address of each applicant, which record shall conform to the list above required. Before inspection of any advance voting ballot application list, the person desiring to make such inspection shall provide to the county election officer identification in the form of driver's license or other reliable identification and shall sign a log book or application form maintained by such officer stating such person's name and address and showing the date and time of inspection. All records made by the county election officer shall be subject to public inspection, except that the voter identification information required by subsections (b) and (c) and the identifying number on ballots and ballot envelopes and records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in two consecutive general elections held on the Tuesday succeeding the first Monday in November of each even-numbered year, the county election officer may mail a notice to such voter. Such notice shall inform the voter that the voter's name will be removed from the permanent advance voting list unless the voter renews the application for permanent advance voting status within 30 days after the notice is mailed. If the voter fails to renew such application, the county election officer shall remove the voter's name from the permanent advance voting list. Failure to renew the application for permanent advance voting status shall not result in removal of the voter's name from the voter registration list.

(k) The secretary of state may adopt rules and regulations in order to implement the provisions of this section and to define valid forms of identification.
