

2012 Kansas Statutes

40-241k. Rules and regulations; establishing fees for agents. The commissioner may adopt rules and regulations establishing reasonable fees necessary to accommodate the cost of issuing duplicate agents' licenses, certifications of individual agent qualifications or credentials to other supervisory authorities and similar functions performed by the commissioner for the benefit of insurance agents or companies or both.

History: L. 1983, ch. 154, § 2; July 1.
