

2012 Kansas Statutes

40-415. Insurance to go to estate of insured when beneficiary dies before insured. In all cases of the death of the beneficiary in any insurance policy before the death of the insured, and thereafter the insured dies without having named another beneficiary and without having disposed of said insurance by will, then said insurance shall go to the estate of the insured, the same as other property not exempt.

History: L. 1927, ch. 231, 40-415; June 1.
