

2012 Kansas Statutes

40-2230. Same; when reimbursement or indemnification required; deductibles, coinsurance and other limitations permissible. Notwithstanding any provision of any policy, provision, contract, plan or agreement to which this act applies, whenever reimbursement or indemnity for laboratory or x-ray services are covered, reimbursement or indemnification shall not be denied for mammograms or pap smears when performed at the direction of a person licensed to practice medicine and surgery by the board of healing arts within the lawful scope of such person's license, including services performed at a mobile facility certified by the federal health care financing administration and performing mammography testing by American cancer society guidelines. A policy, provision, contract, plan or agreement may apply to mammograms or pap smears the same deductibles, coinsurance and other limitations as apply to other covered services.
