

2012 Kansas Statutes

40-2909. Same; assignment of rights to association upon recovery under act; cooperation; actions against insurer; claims against insolvent insurer. (a) Any person recovering under this act shall be deemed to have assigned his rights under the policy to the association to the extent of his recovery from the association. Every insured or claimant seeking the protection of this act shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out, except such causes of action as the insolvent insurer would have had if such sums had been paid out by the insolvent insurer. In the case of an insolvent insurer operating on a plan with assessment liability, payments of claims of the association shall not operate to reduce the liability of insureds to the receiver, liquidator, or statutory successor for unpaid assessments.

(b) The receiver, liquidator or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this act against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses. For purposes of this subsection, expenses for the investigation or defense of claims against insureds under policies with an insolvent insurer shall be considered expenses of the association or other similar organization in handling claims.

(c) The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association which shall preserve the rights of the association against the assets of the insolvent insurer.

(d) The association shall have the right to recover from any person who is an affiliate of the insolvent insurer and whose liability obligations to other persons are satisfied in whole or in part by payments made under this act.
