

2012 Kansas Statutes

46-217. "Economic opportunity" defined. "Economic opportunity" means any purchase, sale, lease, contract, option, or other transaction or arrangement involving property or services wherein a state officer or employee or candidate for state office may gain a personal economic benefit, but not including any gift.

History: L. 1974, ch. 353, § 3; March 28.
