

2012 Kansas Statutes

59-1108. Bond requirement for reissuance of certain certificates inapplicable. When an heir, administrator or executor requests that a lost, destroyed or stolen certificate for nonnegotiable securities belonging to the decedent, be reissued by the issuer of such securities, the bonding requirement provided in K.S.A. 84-8-405, shall not apply to such reissuance.

History: L. 1980, ch. 166, § 1; July 1.
