

2012 Kansas Statutes

61-2804. Filings. Judicial districts in this state may accept for filing under this act lawsuits filed in the same method in which lawsuits are filed prior to the adoption of this act, or filed pursuant to an electronic filing procedure, or a combination of the two, as long as any such filings comply with the rules of the supreme court of this state.

History: L. 2000, ch. 161, § 4; Jan. 1, 2001.
